

Olive Leaf Complex - Product number B042 - 100 tablets

Description

Complex of concentrated, dry extracts (nebulisates) of olive leaf, obtained by spray-drying technique, the skin and kernels (seed) of red grapes, crataegus (hawthorn), solidago (goldenrod) and vitamin C. These nebulisates have a high content of (poly-) phenols and flavonoids. The high-quality olive leaf extract in this BioVitaal complex has a high content of oleuropein (> 20%).

Olive leaf extract promotes blood flow (provisionally authorized claim EFSA-ID 3780), protects against free radicals (EFSA-ID 3780), is good for the urinary tract (EFSA-ID 3783) and the intestinal function and bowel movements (EFSA-ID 3779). Use of 1000 mg of olive leaf extract or more per day, boosts the immune system and increases resistance to external influences (EFSA-ID 3467).

Ingredients and herbs per tablet (concentrated extracts / nebulisates):

Olive leaf extract 12: 1, > 20% oleuropein 325 mg

Red grape extract (peel, 5% resveratrol) 10 mg

OPC (from grape seed extract, 95% OPC) 50 mg

Crataegus oxyacantha extract (Hawthorn), 5: 1 50 mg

Solidago virgaurea extract (Goldenrod), 4: 1 25 mg

Vitamin C (ascorbic acid) 80 mg (100% RI)

Fillers: vegetable magnesium stearate and stearic acid, rice starch, microcrystalline cellulose, maltodextrins (from corn, gluten-free). Anti-caking agent: silicon dioxide.

Usage and warnings:

Adults take 1 tablet 1 to 3 times a day with meals. Do not exceed recommended dosage. Keep out of reach of children. A dietary supplement is not a substitute for a varied diet. Persons using anti-clotting drugs should consult an expert before use; Hawthorn in particular can interact with these drugs. Do not use during pregnancy and lactation. Do not use in hypersensitivity to any of the herbs or other ingredients in this product. For more information about the concomitant use of herbs and medicines, see (in Dutch): <https://www.nvwa.nl/onderwerpen/voedingssupplementen-en-kruidenpreparaten/inhoud/risico-s-gelijktijdig-gebruik-van-kruidenpreparaten-met-geneesmiddelen>
